

Sydinvest Global EM Equities EUR Acc

Fund Facts - 1. August 2025

Investment profile

The fund actively invests in companies from countries in Asia, Latin America, Eastern Europe, the Middle East and Africa. The portfolio philosophy is based on a comprehensive analysis of global and local market conditions. Four idea generators are combined in the form of macroeconomic analysis, structural themes, style analysis and an assessment of the individual companies' business model, quality and return potential. The process focuses on identifying a robust portfolio of stocks that are expected to deliver growth and quality at an attractive price. Typically, the portfolio consists of 100 to 135 stocks, spread across countries, industries and companies.
